Business Consultant to Strengthen Local Businesses

Salt Lake City, May 1, 2015 MassMutual Intermountain West is pleased to announce the addition of Shawn Sadowski, MBA, as its Senior Business Consultant. As the Sr. Business Consultant Sadowski will work directly with business-owners to customize strategies to withstand future uncertainty and manage growth.

Earlier this year the U.S. Chamber of Commerce Foundation ranked Utah the best overall economic performing state in the nation and much of this growth is attributed to the Utah business climate and entrepreneurship of local companies. Sadowski brings his experience and vision gained from personally starting three businesses and advising countless entrepreneurs on launching and growing successful ventures. He has an exceptional perspective of the challenges business owners may face in continuing to grow as the economy evolves.

“Many small businesses are working hard investing their time and money into the day-to-day tasks of their business and as a result they may be unprepared when it comes to planning for their future and family,” said Brady Murray, President of MassMutual Intermountain West. “Local business people are the life-blood of the economic health of Utah and Shawn’s unique vision and entrepreneurial spirit will be instrumental in helping local businesses to stay viable when challenges arise.”

Sadowski is a proud Westminster College alumnus, business owner, and visiting professor at the Huntsman School of Business at Utah State University. He and his wife, Cherie, and their three children reside in Sandy, Utah.

MassMutual Intermountain West is a general agency of Massachusetts Mutual Life Insurance Company (MassMutual).
